## One Vision. Three Paths.

Astyl offers three complementary lines tailored to the needs of each project.

### Select

Curated metal solutions ready to specify.

### Project

Adaptable metal systems, engineered to project requirements.

### Studio

Experimental design and material research.

Manufacture

The material plays a key role, selected according to variables such as design intent, functionality and cost.

MATERIALS

**Galvanized Steel**

**Aluminium**

**Corten Steel**

**Zinc**

**Stainless Steel**

FINISHES

**Powder Coatings**

**Special Finishes**

**Anodized**

# Properties

# Facades

# Corrugami

**Project**  
MTorres

**Architect**  
MTorres

**Building pattern**  
Corrugami - Plegia

**Material**  
Galvanized Steel

# Corrugami

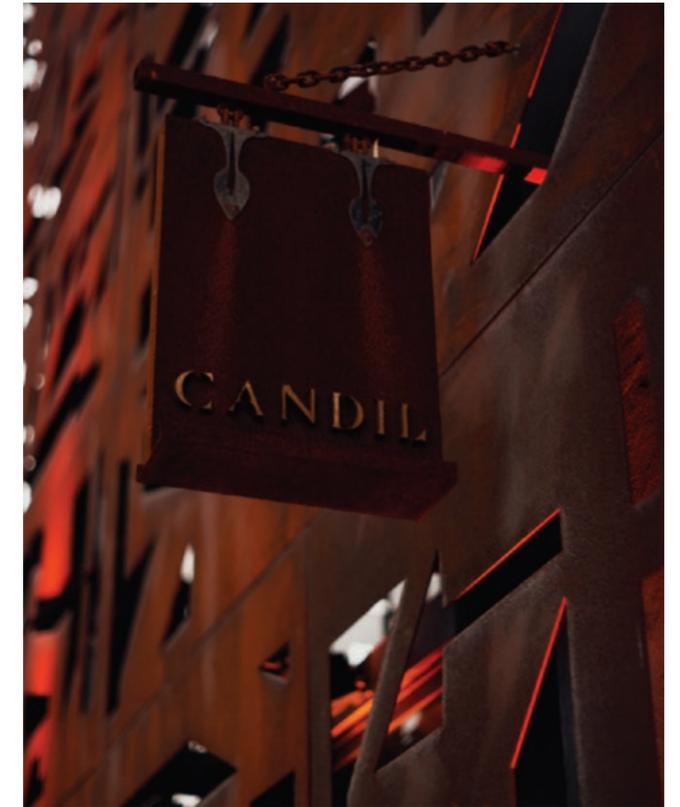

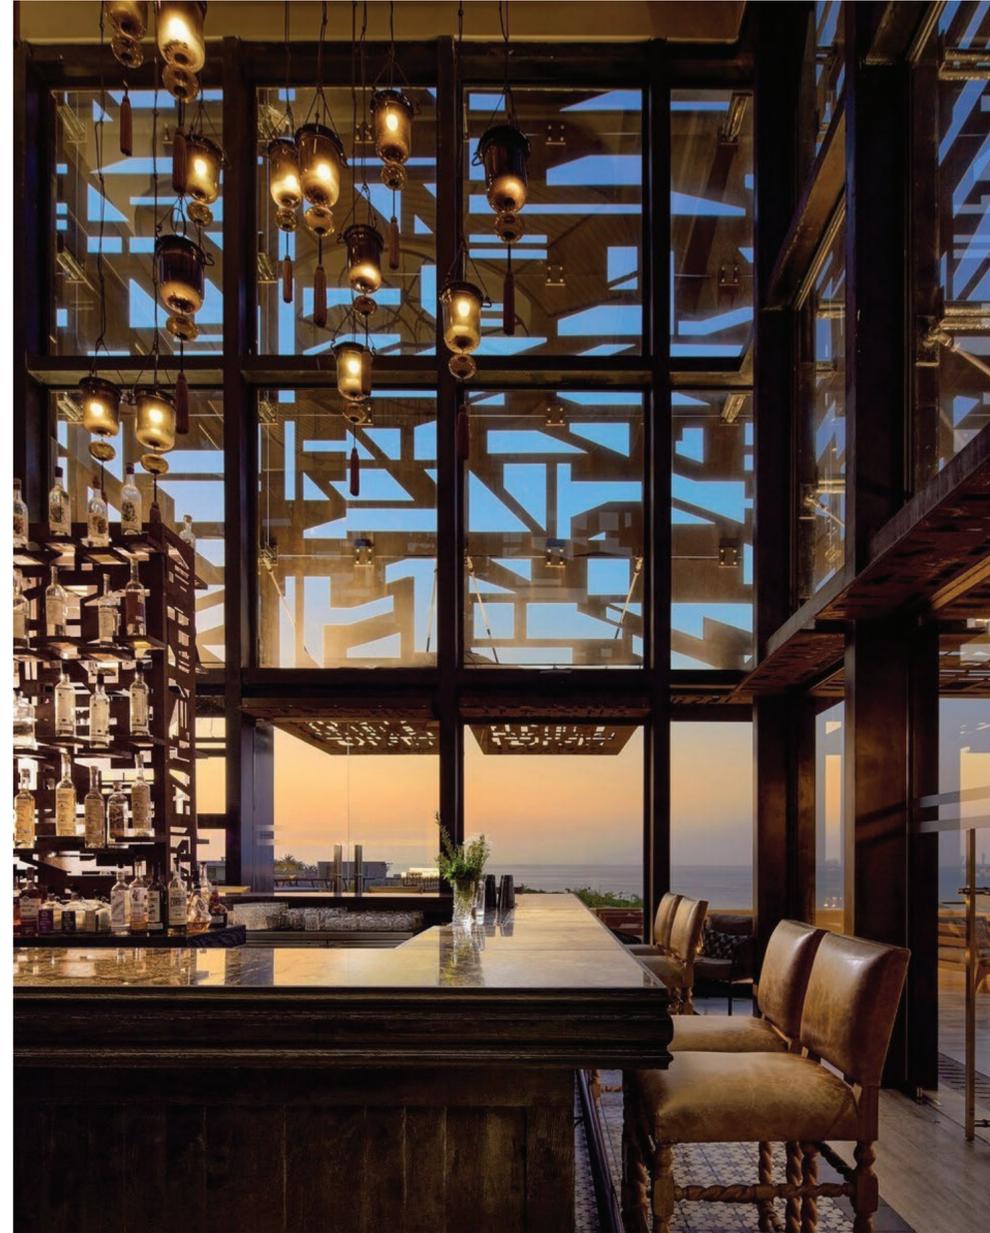

**Project**  
CENDI 2

**Architect**  
CO2 Taller

**Building pattern**  
Corrugami - Escarpa

**Material**  
Aluminium

**Finish**  
Powder Coated

Perforart

**Project**  
Ritz-Carlton Cabo

**Architect**  
ABAX

**Building pattern**  
Perforart - Lasion

**Material**  
Corten Steel

Perforart

**Project**  
Ángeles Armida Hospital

**Architect**  
GM Capital

**Building pattern**  
Perforart - Puncto

**Material**  
Aluminum

**Finish**  
Powder Coated

# Perforart

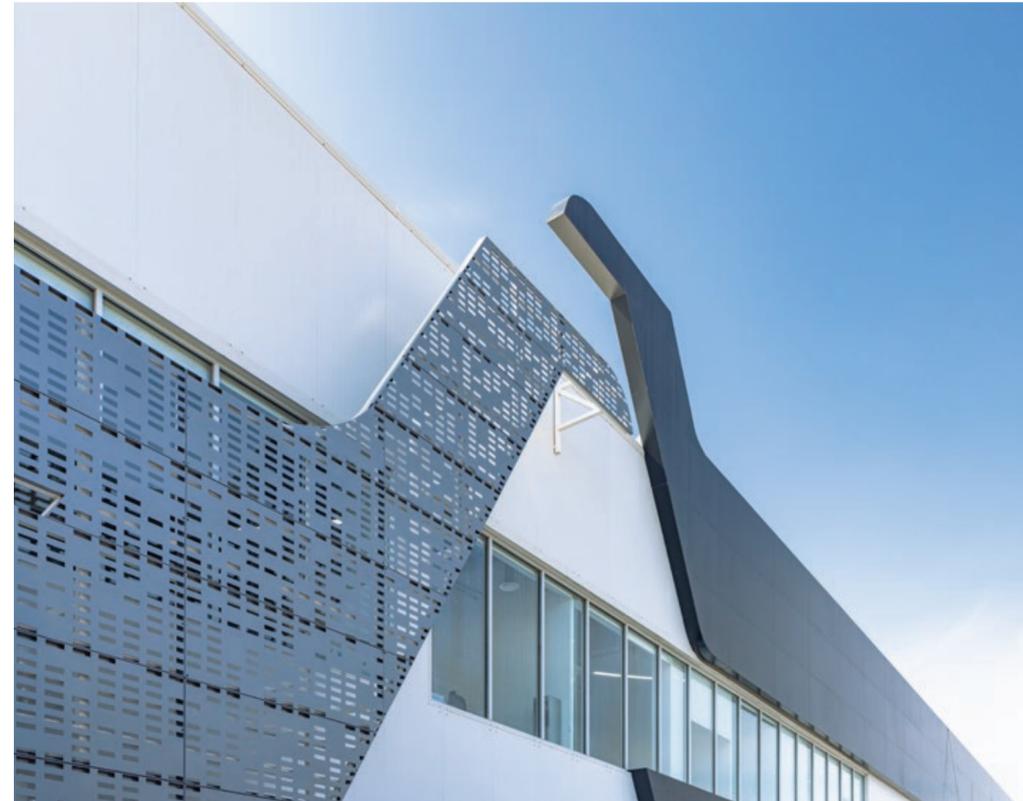

**Project**  
Prepa Tec CSC

**Architect**  
Diego Renovales

**Building pattern**  
Perforart - Picto

**Material**  
Galvanized Steel

**Finish**  
Powder Coated

Perforart

**Project**  
Safran

**General Contractor**  
Aby Centro

**Building pattern**  
Perforart - Puncto

**Material**  
Galvanized Steel

**Finish**  
Powder Coated

Perforart

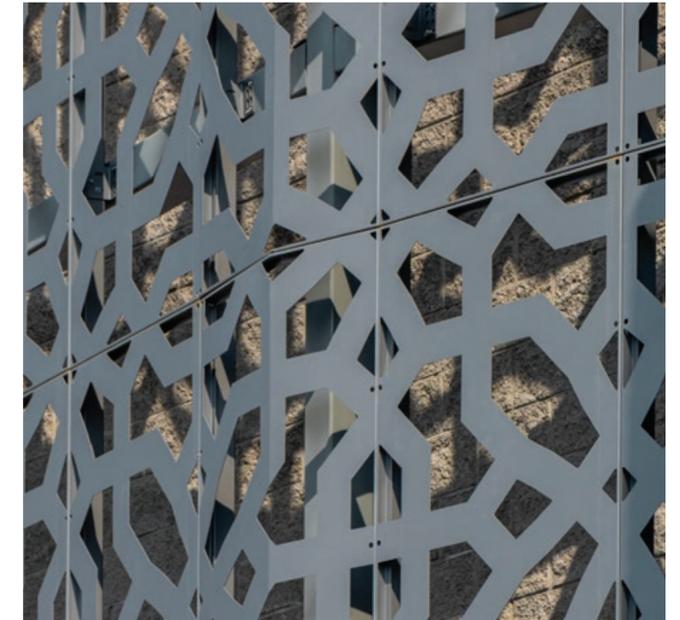

**Project**  
HEB Humberto Lobo

**General Contractor**  
HEB México

**Building pattern**  
Perforart - Lasion

**Material**  
Galvanized Steel

**Finish**  
Powder Coated

Perforart

**Project**  
HEB Quintana

**General Contractor**  
HEB México

**Building pattern**  
Perforart - Punto

**Material**  
Galvanized Steel

**Finish**  
Powder Coated

Perforart

**Project**  
Casa Séptima

**Architect**  
NL Studio

**Building pattern**  
Perforart - Puncto

**Material**  
Aluminum

**Finish**  
Powder Coated

# Perforart

**Project**  
Pueblo Serena

**Architect**  
Carranza y Ruiz Arquitectos

**Building pattern**  
Perforart - Lasion

**Material**  
Aluminum

**Finish**  
Powder Coated

Perforart

**Project**  
Tec Milenio Culiacán

**Architect**  
Ramírez Fellowes Arquitectos

**Building pattern**  
Perforart - Picto

**Material**  
Aluminum

**Finish**  
Anodized

Perforart

**Project**  
ITESO Library

**Architect**  
Mantis Arquitectos

**Building pattern**  
Perforart - Puncto

**Material**  
Aluminum

**Finish**  
Powder Coated
